

WARLINGHAM PARISH COUNCIL

APPLICATION FOR GRANT AID **INCLUDING PROVISION FOR RUNNING COSTS**

Our Criteria

The Parish Council wants its grant money to be used locally and effectively to benefit the people of Warlingham. It recognises that there are certain organisations which provide important services and/or facilities to Warlingham which it is reasonable for the people of Warlingham to support financially each year via the Parish Council. These organisations principally need support with running costs, not one-off projects.

The key criteria for support are that an organisation:

- supports the Parish Council's five strategic aims of maintaining and improving Warlingham's environment, facilities, economy, security and community.
- is well established and sustainable
- provides a needed and proven service or facility to Warlingham residents
- does not have members with exclusive/main use of the facility/service who can be expected to pay for its maintenance/operation
- is based in Warlingham or able to demonstrate it provides a significant level of service to Warlingham residents
- has more than one source of funding
