

Warlingham Community Directory

April 2023

A Parish News Publication

The Warlingham Community Directory contains essential information for those living in and around Warlingham and is especially useful for newcomers when moving to this area and becoming part of community life. The Directory is laid out alphabetically under main headings followed by individual entries. Collectively these offer you, the reader, a unique resource to keep for future reference.

Thank you to the many volunteers who have been involved in preparing this edition and also to Parish News, its parent publication, for supporting and publishing the Directory.

Entries have been checked, but even so there may be errors. We apologise if there are and ask you to send any corrections to the manager of this edition, Ian Fortune, fortuneian899@aol.co.uk and the editor of Parish News, Rita Bransby, rbransby@btconnect.com

The entries may be copied for non-commercial use providing there is an acknowledgement to its source and to Warlingham, Chelsham and Farleigh Parish News.
