

WARLINGHAM PARISH COUNCIL

APPLICATION FOR GRANT AID

Our Criteria

The Parish Council wants its grant money to be used locally and effectively to benefit the people of Warlingham.

We wish to fund organisations most in need of funds and projects which:

- have specific end-dates.
- have specific and measurable outcomes
- support the Parish Council's strategic aims of improving Warlingham's environment, facilities, economy, security and community. The more of these that a project addresses the greater its chance of being funded.
- are based in Warlingham or able to demonstrate they do or will provide a significant level of service to Warlingham residents
- have more than one source of funding

In addition:

- projects which support the young, elderly, disabled or vulnerable will be given higher priority
- established organisations should demonstrate a record of contributing to the wider community.
